WANTED: ALL MEMBERS AND ATTENDEES

It's that time again! DIRECTORY UPDATE!! Our church family has grown by leaps and bounds — Praise the Lord! Now, we need faces to go with the names. It just won't be the same without each and every one of you! We are trying something **NEW** this time and ask for your participation. There is a gracious window in which EVERYONE can participate in some form and be included — even college students when they return home. Those participating will receive a color printed directory before Fall. To cover internal printing costs, there will be a minimal suggested donation, for those who can afford to do so (details to follow).

Choose the option that works best for your needs and schedule:
